"More years ago than I care to reckon up, I met Richard Feynman." So begins *The Language God Talks*, Herman Wouk's gem on navigating the divide between science and religion. In one rich, compact volume, Wouk draws on stories from his life as well as on key events from the 20th century to address the eternal questions of why we are here, what purpose faith serves, and how scientific fact fits into the picture. He relates wonderful conversations he's had with scientists such as Feynman, Murray Gell-Mann, Freeman Dyson, and Steven Weinberg, and brings to life such pivotal moments as the 1969 moon landing and the Challenger disaster. Brilliantly written, *The Language God Talks* is a scintillating and lively investigation and a worthy addition to the literature.

Bestselling writer Jimmy Buffett weaves an irresistible tale filled with colorful characters, wry humor, and the pursuit of a very clever pig. When Southern belle Ellie McBride moves her twins from Vertigo, to New York City, they wouldn't dream of leaving behind the family pig Rumpy. But the posh hotel where Ellie has found work (and living space) has "No Pets" writ large on its portal. So hiding Rumpy from the hotel staff -- especially the ultra-carnivorous hotel chef, who would like nothing better than to transform their pet into pork roast -- becomes imperative.

A Trip to the Beach is about the maddening, exhausting and exhilarating challenges Melinda and Robert Blanchard faced while trying to live the simple life after moving to Anguilla to start a restaurant - and the incredible joy when they somehow pulled it off. As their cooking begins to draw 4-star reviews, the Blanchards and their kitchen staff - Clinton and Ozzie, the dancing sous-chefs; Shabby, the master lobster-wrangler; Bug, the dish-washing comedian - come together like a crack drill team. Anyone who's ever dreamed of running away to start a new life on a sun-drenched island will find the Blanchards' seductive, funny tale of pandemonium and bliss unforgettable.

The Caribbean has the fortune—and the misfortune?—to be everyone's idea of a tropical paradise. Its sun, sand and scenery attract millions of visitors each year and make it a profitable destination for the world's fastest growing industry. Tourism is increasingly touted as its only hope of creating jobs and wealth—literally, the island's last resort. *Last Resorts* examines the real impact of tourism on the people and landscape of the Caribbean. It explores the structure of ownership of the industry and shows that the benefits it brings to the region do not live up to its claims. New developments in ecotourism, sex tourism, and the burgeoning cruise industry are not changing this pattern of short-term exploitation of the region's resources. The book shows how Caribbean societies are corrupted by tourism and its culture turned into floorshow parody. This new edition has been extensively revised and updated. It gives voice to people inside the tourism industry, its critics, and tourists themselves, and offers vital insights into a phenomenon that is central to the globalized world of today.

In an unprecedented literary accomplishment, Herman Wouk, one of America's most beloved and enduring authors, reflects on his life and times from the remarkable vantage point of 100

years old. Many years ago, the great British philosopher Sir Isaiah Berlin urged Herman Wouk to write his autobiography. Wouk responded, "Why me? I'm nobody." Berlin answered, "No, no. You've traveled. You've known many people. You have interesting ideas. It would do a lot of good." Now, in the same year he has celebrated his hundredth birthday, Herman Wouk finally reflects on the life experiences that inspired his most beloved novels. Among those experiences are his days writing for comedian Fred Allen's radio show, one of the most popular shows in the history of the medium; enlisting in the US Navy during World War II; falling in love with Betty Sarah Brown, the woman who would become his wife (and literary agent) for sixty-six years; writing his Pulitzer Prize-winning novel, *The Caine Mutiny*; as well as a big hit Broadway play *The Caine Mutiny Court Martial*; and the surprising inspirations and people behind such masterpieces as *The Winds of War*, *War and Remembrance*, *Marjorie Morningstar*, and *Youngblood Hawke*. Written with the wisdom of a man who has lived through two centuries and the wit of someone who began his career as professional comedy writer, the first part of Wouk's memoir ("Sailor") refers to his Navy experience and writing career, the second ("Fiddler") to what he's learned from living a life of faith. Ultimately, *Sailor and Fiddler* is an unprecedented reflection from a vantage point few people have lived to experience.

Arnold Beichman's comprehensive study of the writings of Herman Wouk, one of America's leading writers, shows how Wouk's plays and novels exemplify an extraordinary and often highly perceptive preoccupation with American society in war and in peace. Situating Wouk in the same literary tradition as Cervantes, Richardson, Balzac, and Dickens, Beichman demonstrates that Wouk's novels have strong plots, moralist outcomes, and active--essentially positive--characters. The new introduction serves to bring Wouk's work over the past two decades into the reckoning. Making extensive use of Wouk's personal papers and manuscripts as well as personal interviews with him, Beichman's focus is on the social and literary qualities of Wouk's work. In particular, he examines eight novels including *War and Remembrance* and *The Winds of War*; *The Traitor*, one of his three plays; and two moral tracts on Judaism. Wouk has written four more novels, including his latest, *A Hole in Texas*, his twelfth. Beichman portrays Wouk as one of the few living novelists concerned with virtue, and sees his work as against the mainstream of contemporary American novelists. These, he argues, have

eschewed such elements of the traditional novel as invention, coincidences, surprises, suspense, and a moral perspective more presumed than examined. Each decade new readers discover the characters and curious activities aboard the U.S.S. "Caine in this classic tale of pathos, humor, and scope.

Jimmy Buffett is one of the great contemporary singer/songwriters, and it's hard to imagine a citizen of Planet Earth unfamiliar with such classic hits as "Margaritaville." Jimmy has also written novels, children's books, memoirs, and a stage musical based on Herman Wouk's Don't Stop the Carnival, and his family-friendly concerts almost always sell out to audiences comprised of a mix of dedicated Parrotheads, casual fans, and newbies. In *The Great Filling Station Holdup*, editor Josh Pachter presents sixteen short crime stories by sixteen popular and up-and-coming crime writers, each story based on a song from one of the twenty-nine studio albums Jimmy has released over the last half century, from Leigh Lundin's take on "Truckstop Salvation" (which appeared on Jimmy's first LP, 1970's *Down to Earth*) to M.E. Browning's interpretation of "Einstein Was a Surfer" (from 2013's *Songs from St. Somewhere*). If you love Jimmy's music or crime fiction or both, you'll love *The Great Filling Station Holdup*. Mix yourself a boat drink, ask Alexa to put on a buffet of Buffett tunes, kick back, and enjoy!

Foundation Award A major debut from an award-winning writer—an epic family saga set against the magic and the rhythms of the Virgin Islands. In the early 1900s, the Virgin Islands are transferred from Danish to American rule, and an important ship sinks into the Caribbean Sea. Orphaned by the shipwreck are two sisters and their half brother, now faced with an uncertain identity and future. Each of them is unusually beautiful, and each is in possession of a particular magic that will either sink or save them. Chronicling three generations of an island family from 1916 to the 1970s, *Land of Love and Drowning* is a novel of love and magic, set against the emergence of Saint Thomas into the modern world. Uniquely imagined, with echoes of Toni Morrison, Gabriel García Márquez, and the author's own Caribbean family history, the story is told in a language and rhythm that evoke an entire world and way of life and love. Following the Bradshaw family through sixty years of fathers and daughters, mothers and sons, love affairs, curses, magical gifts, loyalties, births, deaths, and triumphs, *Land of Love and Drowning* is a gorgeous, vibrant debut by an exciting, prizewinning young writer.

Herman Wouk's classic novel moves on from the grand themes which have won him international acclaim - war, the fate of nations, and the indomitable spirit of man - to the quest for identity, in the clash between the Inside of faith and family and the Outside of the glittery American dream. *Inside, Outside* sweeps through more than sixty years, from the pre-war, pre-atomic innocence of the twenties and thirties to the turbulent immediate past. Scenes of rollicking family humour and show-business comedy alternate with sudden tragedy, the spectacle of a falling President and the explosion of war. A bittersweet first love, relived after forty years, and a tense secret wartime mission between Washington and Jerusalem call forth the author's renowned storytelling gift. An intense, personal book about intimate things, *Inside, Outside* is a merry, poignant, sometimes ribald picture of the American Jewish experience, by a master at the peak of his

powers.

In *The Hope*, world-famed historical novelist Herman Wouk told the riveting saga of the first twenty years of Israel's existence, culminating in its resounding triumph in the Six-Day War, which amazed the world as few events of this turbulent century have. With *The Glory*, Wouk rejoins the story of Israel's epic journey in one of his most compelling works yet. From the euphoric aftermath of that stunning victory in 1967, through the harrowing battles of the Yom Kippur War, the heroic Entebbe rescue, the historic Camp David Accords, and finally the celebration of forty years of independence and the opening of the road to peace, Wouk immerses us in the bloody battles, the devastating defeats, the elusive victories.

Now hailed as a "proto-feminist classic" (*Vulture*), Pulitzer Prize winner Herman Wouk's powerful coming-of-age novel about an ambitious young woman pursuing her artistic dreams in New York City has been a perennial favorite since it was first a bestseller in the 1950s. A starry-eyed young beauty, Marjorie Morgenstern is nineteen years old when she leaves home to accept the job of her dreams--working in a summer-stock company for Noel Airman, its talented and intensely charismatic director. Released from the social constraints of her traditional Jewish family, and thrown into the glorious, colorful world of theater, Marjorie finds herself entangled in a powerful affair with the man destined to become the greatest--and the most destructive--love of her life. Rich with humor and poignancy, *Marjorie Morningstar* is a classic love story, one that spans two continents and two decades in the life of its heroine. "I read it and I thought, 'Oh, God, this is me.'" --Scarlet Johansson

This book is the ultimate guide to adventure travel in the Caribbean. It details how to travel to the West Indies few people have experienced. Details the life of Jimmy Buffett from Mobile, Alabama, where he loafed around only wanting to play music, to his move to Nashville and his many attempts at getting record contracts

Dear Reader, If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives, I am sorry to say, are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched, and this one may be the worst of them all. If you haven't got the stomach for a story that includes a hurricane, a signalling device, hungry leeches, cold cucumber soup, a horrible villain, and a doll named Pretty Penny, then this book will probably fill you with despair. I will continue to record these tragic tales, for that is what I do. You, however, should decide for yourself whether you can possibly endure this miserable story. With all due respect, Lemony Snicket

96-year-old author of Pulitzer Prize-winning *The Caine Mutiny* pens an ingeniously witty novel about the life of Moses. For more than 50 years, Herman Wouk has dreamed of writing a novel about the life of Moses. Finally, at the age of 96, he has found an ingeniously witty way to tell the tale of *The Lawgiver*, a romantic and suspenseful epistolary novel about a group of people trying to make a movie about Moses in the present day. At its centre is Margo Solovei, a brilliant young writer-director who has rejected her father's strict Jewish upbringing to pursue a

career in the arts. When an Australian multi-billionaire promises to finance a movie about Moses, Margo does everything she can to land the job, including a reunion with her estranged first love, an influential lawyer with whom she has unfinished business. * Visit Herman Wouk's website at www.hermanwouk.net 'Endearing and light-hearted' Michael Prodger, FT Who hasn't fantasized about leaving their job, saying goodbye to the rat race and escaping to some exotic destination in search of sun, sand, and a different way of life? Ann Vanderhoof and her husband did just that. In the mid 1990s, the author and her husband were driven, forty-something professionals who were desperate for a break from their harried, deadline-dominated lives. So they left their jobs, rented out their house, moved onto a 42-foot yacht called Receta ('recipe' in Spanish) and set sail from their home in Canada for the Caribbean. AN EMBARRASSMENT OF MANGOES is Ann Vanderhoof's intimate account of this two-year midlife interlude during which she and her husband travelled more than 7,000 nautical miles, dropped anchor in 16 countries (and 47 individual islands), and adapted to a new life on 'island time'. Exchanging suits for bare feet, they leave the stresses of their old life behind and become caught up in a world that is simultaneously simpler and more exuberant. They sip rum with their neighbours and dance through the streets during Carnival, explore secluded beaches, learn to pull their dinner from the sea and create delectable dishes in their tiny galley kitchen. Interspersed with irresistible recipes, from cracked conch in the Bahamas, curried lobster in Grenada, spicy island gingerbread to West Indian rum punch, AN EMBARRASSMENT OF MANGOES is the enticing story of discovering not just vibrant new cultures and cuisines, but what really matters.

Committed to fight in the air and on the ground against the monumental resources of the Soviet Union, The Glory charts Israel's successes over Egypt and the commando raid on Fatah HQ in Beirut, the first missile-to-sea fight in history, which helped tip the balance in the Yom Kippur War, and the famous counter-terrorism raid on Entebbe. Shifting between Jerusalem and Washington, Los Angeles and Paris, this is the story of a beleaguered country and the men and women who fought for Israeli Independence and triumphed in the Six-Day War but know their fragile nationhood still hangs by a thread as their own children go into battle. Herman Wouk's sweeping epic of World War II, which begins with THE WINDS OF WAR and continues in WAR AND REMEMBRANCE, stands as the crowning achievement of one of America's most celebrated storytellers. Like no other books about the war, Wouk's spellbinding narrative captures the tide of global events - the drama, the romance, the heroism and the tragedy of World War II - as it immerses us in the lives of a single American family drawn into the very centre of the maelstrom. It's everyone's dream: to leave behind the rat-race of the working world and start life all over again amidst the cool breezes, sun-drenched colours, and rum-laced drinks of a tropical paradise. This is the story of Norman Paperman, a New York City press agent who, facing the onset of middle age, runs away to a Caribbean island to reinvent himself as a hotel keeper. Pulitzer Prize-winning author Herman Wouk, who himself lived on an island in the sun for seven years, draws on his own experiences to tell a story at once brilliantly comic and deeply moving about a man's search for happiness, and for himself.

"Valuable, wise, and quietly moving" (Chicago Tribune), This Is My God is Pulitzer Prize-winning writer Herman Wouk's famous introduction to Judaism. A miracle of brevity, This Is My God guides readers through the world's oldest practicing religion with all the power, clarity, and wit of Wouk's celebrated novels. "Anyone who wants to know what orthodox Judaism means to an informed and intelligent orthodox Jew, who is at the same time thoroughly American in outlook and culture, will do well to study this work."

With this rollicking novel hailed equally for its satiric bite, its lightly borne scientific savvy, and its tender compassion for foible-prone humanity, one of America's preeminent storytellers returns to fiction. Guy Carpenter is a regular guy, a family man, an obscure NASA scientist, when he is jolted out of his quiet life and summoned to the corridors of power in Washington, D.C. Through a turn of events as unlikely as it is inevitable, Guy finds himself compromised by scandal and romance, hounded by Hollywood, and agonizingly alone at the white-hot center of a firestorm ignited as three potent forces of American culture -- politics, big science, and the media -- spectacularly collide.
