In many esoteric traditions, there exists an iconic or linguistic corollary between the concepts of 'poisoner' and 'sorcerer', suggesting a sinistral magical kinship. Indeed, the use of plant, animal and mineral toxins is a strand of magic originating in remotest antiquity and reaching the present day. Beyond its mundane function as an agent of corporeal harm, poisons have also served as gateways of religious ecstasy, occult knowledge, and sensorial aberration, as well as the basis of cures. Allied with Samael, the fallen serpent-angel of first transgression whose Hebrew name in some translations is 'Venom of God', this facet of magic wends through the rites of ancient Sumer and Egypt, penetrating European Necromancy, Alchemy, the arcane the rites of the Witches' Sabbath, and modern-day folk magic. VENEVICIUM concerns the intersection of magic and poison. Of particular note to this study are the herbs of the so-called 'Devil's Garden', which bear relation to the allied witchcraft concepts of the Graal of Midnight, the Witches' Supper, and the flying ointment of the witches which has exerted fascination over scholars, historians, and practitioners alike. Beyond consideration of the toxicological dimensions of magical power, the related threads of astral and philosophical poisons are also examined, and their resonance and dissonance with magical practice explored. VENEVICIUM will be of interest to students of magic, witchcraft, alchemy, botanical folklore, medicine, and occult pharmacology. This book is a modern grimoire of Left Hand Path magic, written as a follow-up to *Rites of Lucifer*, with the purpose of exploring Luciferian gnosis in greater depth. Following the discussion of Lucifer's masks, titles, and attributes, *Awakening Lucifer* examines deities, spirits, and mythological figures related to the Luciferian ethos and symbolism, focusing on manifestations of the archetype in various cultural contexts, getting to the roots of selected legends and folklore, and exploring similarities and differences between Luciferian characters around the world. You will find here eleven god-forms, each one representing a different aspect of the archetype: Prometheus (Bringer of Fire), Melek Taus (Peacock Angel), Attar (Son of the Dawn), Shemyaza (Serpent Angel), Samael (Prince of Darkness), Lucifuge Rofocale (Lord of the Night), Lugh (Shining One), Shiva (Lord of the Trident), Azazel (Lord of Transgression), Pan (Horned One), and Janus (Keeper of the Gates). Each chapter contains an introduction to the mythology of the chosen god or spirit, explaining why they can be considered a Luciferian archetype, a sigil that will help you attune yourself to their current, a guided meditation that will take you on a self-initiatory journey within their realm, and invocation in which you will learn how to assume the god-form and absorb their powers and qualities. The idea behind this book is to present the Luciferian archetype and its role in the development of human consciousness across the ages and in various cultures and societies, focusing on those aspects that are relevant to the Draconian current and can be used in the self-initiatory process on the Path of the Dragon.

Magick is easier and safer than many people believe, and pathworking is a method that takes you to the essence of power. There are many ways of working with demons. The spirits of Goetia can bring knowledge, manipulate reality, produce changes within yourself, or attract conditions and events that you desire. This is widely known. Demons are famed for their speed, dignity, and willingness to cooperate with you. What is less well known is that incredibly simple pathworking rituals enable you to make easy contact with these demons safely and reliably. Advantages of The Pathworking Method - No difficult words of power to learn or speak. - Nothing to burn, collect, or make. - No sacrifice, reward, or offering is required. - No sigils need to be drawn, and you only need to look at the sigils in this book. - No angels or divine names are used, which makes the magick feel more reliable for some people. - The method automatically creates the correct state of mind and summons elemental energy. - Pathworking can be performed in complete privacy. - The method is extremely safe and easy to learn. You ask for something, and you get it, without any backlash or payment. You will never have to learn difficult visualisation methods or train in demanding mental techniques. Based on a system of Elemental Imagery, this is a unique way to perform magick. You ask for something, and you get it, without any repercussion or payment. People say you never get something for nothing. Here, you get something because you've performed magick and filled it with your desire. That is enough to get the results you seek, from love and lust, to cursing, influence, illusion, and wealth.

Where there was effort, there will be ease. Where there was fear, there will be control. Where there was lack, there will be wealth. If you fear evil, know that there is no evil in this grimoire other than the evil that you bring. Be at ease with your desires, and you will not falter. The practical magick in this book gives you powers that include influence and control, with magick for money, sex, passion, and seduction. There are powers of persuasion, charm, and trust, alongside those for healing, guidance, wisdom, and peace. The demons enable you to solve legal problems, finding justice and improving your willpower. You will discover protection, bindings, and ways to improve personal skills and creativity. For those who seek greater control, there is a sequence of corruption and cursing rituals and methods for causing disease and

mental suffering. Other powers create illusion or concealment and even manipulate time and reality itself. Working with demons is safe when you accept that the demons do not need to be restrained or controlled. A demon wants to fulfill its destiny by helping you obtain what you desire. When you get what you want, that is what the demon wants. This is the true harmony of magick. When you are clear about your desire, there is no risk in surrendering to the power of this magick. You are not selling your soul or making a pact with the devil, but connecting to a legion of consciousness that rewards desire, choice, and determination. Working as The Order of The Unveiled Faces we have performed magick with the powers of Lucifer and The Hidden Demons since 1955. Our intention is to clarify the mysteries and dispel the myths. For those who seek magick, we swear an oath to provide you only with the methods that we know to be true. This is not another book about the demons of Goetia, but one that reveals the Legion of Lucifer. There are more than 100 demons in this book, and most are unknown outside of the secret orders. We reveal the full details of our source materials so you can see how these demons were hidden, and how they were found. You will have the ability to work with hundreds of unique powers. Open your mind, and you will be granted the power to shape, guide, and transform your reality.

Witchcraft is as old as time but few really know what it consists of beyond magic, spells, and enchantment. As this insightful volume reveals, witchcraft above all is the renewal of an ancient tradition. It describes the practices of the religion and features many witches who offer unique knowledge of the occult and mystical worlds. The experiences of the author, a leader of a coven of witches who follow the Old Religion and close associate of the revolutionary wicca Gerald Gardner, as well as her unique experiences in voodoo and obeah round off this essential guide to contemporary witchcraft.

The magick of demons can lead to a life of success, power and extraordinary peace. Demons will demolish enemies, enrich bold ventures, satisfy material desires, and provide you with wisdom, charisma, healing and persuasive dignity. The beauty of demonic magick is that spiritual growth arises from material pleasure. If these are works of darkness, they bring great light. Demons of Magick provides you with three rituals for working with the seventy-two demons of Goetia. The first method is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The third method provides you with the instructions for a Full Evocation, with the demon brought to visible appearance. Each of the seventy-two demons is proficient in several areas, and all of their powers can be used alone or in combination. You have thousands of sophisticated powers at your disposal. Gordon Winterfield says, 'My intent in creating this book has been to offer something genuinely original, and unobtainable elsewhere, based on the wisdom of experienced, practicing occultists. I have no interest in peddling the same weary methods that can be found elsewhere. It is therefore unavoidable that the contents of this book will challenge much of what has been said on the subject. The magick in this book is a

modernized, workable method, and will violently contradict many beloved theories and beliefs. This book may offend you, but if you are open-minded, I believe you will find a method that works for you quite readily.' You will discover: The secret Evocation Keys for attracting the demon to you. The names of 288 angels used to constrain the demons. 144 demonic and angelic seals. 72 colored sigils for working the rituals. The Ritual Opening that calls on five archangels. Words of Power for achieving altered states of consciousness. The safest and simplest methods for evoking demons.
