Mace Llewellyn. Brendon Shaw. Two tall, gorgeous, sexy alpha heroes who are 100% male--with a little something extra. Lion-shifters, to be exact, who can unleash every woman's animal side and still look good--make that spectacular--in a suit. . .and even better out of it. . . NYPD cop Desiree "Dez" MacDermot knows she's changed a lot since she palled around with her childhood buddy, Mace. But it's fair to say that Mace has changed even more. It isn't just those too-sexy gold eyes, or the six-four, built-like-a-Navy Seal body. It's something in the way he sniffs her neck and purrs, making her entire body tingle. . . Meanwhile, for Tennessean Ronnie Lee Reed, New York City is the place where any girl--even one who runs with a Pack--can redefine herself. First order of business: find a mate, settle down, and stop using men for sex. Even big, gorgeous, lion shifter men like Brendon Shaw. But she needn't worry, because now that Brendon's set his sights on her, the predator in him is ready to pounce and never let go. . . He Fell For Her Nicole St. James was a nice woman. An innocent, pretty, twenty something schoolteacher with her life ahead of her. But as the angel of death, it's Keenan's job to take that life away. So when a vampire attacks Nicole, Keenan is not supposed to snap and take out the vampire instead. It cost him his wings--but she's worth it. Except when Keenan catches up to his pretty schoolteacher, she's not so innocent anymore. Hot red lipstick, tight black shorts and long white fangs--she's ready to kick the asses of anyone who helped turn her into a damn bloodsucker. Unless that ass is unusually shapely and attached to a certain fallen angel. Even with all of heaven and half of hell after them, someone will have to teach Keenan about the fun kinds of sin. . . "Cynthia's on my must-buy list." --New York Times bestselling author Angie Fox Praise for Cynthia Eden's novels "Highly sensual and definitely dangerous." --Shannon McKenna on Hotter After Midnight "A wickedly unique voice in paranormal romance!" --Larissa Lone on I'll Be Slaying You "A fast-paced, sexy thrill ride you won't want to miss." --Christine Feehan on Eternal Hunter They hunger for your pleasure. They growl for your touch. And in these sizzling stories by New York Times bestselling author Shelly Laurenston and Cynthia Eden, these sexy wolf shape shifters are lust at first bite. . . Like A Wolf With A Bone Shelly Laurenston Quiet little Darla Lewis couldn't be happier when the most-feared member of the South's rowdiest pack kidnaps her. A girl gets real tired of being overprotected by her own shifter family, and there's nothing like an oh-so-big bad wolf to start a pack feud, unleash her instincts--and have her surrender however and whenever she wants. . . Wed Or Dead Cynthia Eden Gage Ryder knew his human bride had a wild side. But spending their honeymoon night on the run from hunters out to finish him and his pack is sure not the kind of fun he was looking forward to. No problem--Gage will do whatever it takes to lay bare Kayla's secrets and find the truth. If he can keep from being captured by his own seductive game. . . "Cynthia's on my must-buy list." --New York Times bestselling author Angie Fox "Laurenston continues to dazzle readers." --Romantic Times

Au Gold Coast City Hospital, les meilleurs médecins d'Australie vivent des passions tumultueuses. Sauvé par l'amour, Marion Lennox Zoé est aux anges : elle vient de décrocher un poste au célèbre Gold Coast City Hospital, et elle a aussi rencontré Sam Webster, un séduisant médecin. Mais ce dernier n'est pas prêt à s'engager dans une relation. À elle de lui prouver qu'ils pourraient connaître le bonheur... à deux. Le plus grand bonheur d'une sage-femme, Fiona McArthur Lucy n'aurait jamais imaginé que son premier jour au Gold Coast City Hospital serait aussi celui où elle découvrirait qu'elle est enceinte ! Et le plus fou, c'est que c'est le Dr Nikolai Kefes, qui a deviné son état. Le beau Nikolai qui, la voyant bouleversée, lui offre bientôt son soutien... Pour le bonheur d'un père, Fiona Lowe Lorsque'elle revoit le Dr Luke Stanley, Chloé est stupéfaite. En quelques mois d'absence, l'homme charmant qu'elle connaissait est devenu odieux. Elle découvre alors que ce dernier - père d'une fillette - a perdu sa femme, et décide de tout faire pour l'aider à retrouver le bonheur. La tentation d'une chirurgienne, Amy Andrews Depuis que le Dr Cade Coleman est arrivé dans son service, Callie ne se reconnaît plus : en effet, elle perd ses moyens dès qu'elle croise son collègue. Elle doit vite se ressaisir, car il y va de sa réputation ! Mais comment y parvenir, alors que Cade fait naître en elle des sentiments intenses ?

"Well, I'm now behind on my own writing, because I couldn't tear myself away from Lesser Evils. Then again, I'm only behind by a single day--because I really couldn't tear myself away from Lesser Evils. If the next one's not out until tomorrow, it's still too far off. And if Evans is not already a name spoken of as part of the true Forgotten Realms pantheon, along with Kemp, Cunningham, and Salvatore, it can only be because she has fewer books out, and thus hasn't reached everyone yet."—Ari Marmell, author of Agents of Artifice, The Conqueror's Shadow, and the Widdershins Adventure series "Lesser Evils is incredibly immersive and technically brilliant. I love the complex characters and layered plot, and the dialogue is sharp, natural, and brimming with personality. It's one of those books where you forget about the fact that you're reading a book, and just experience the story as though you were there. Erin M. Evans has a rare talent. She's one to follow for sure."—Susan J. Morris, author of "Writers Don't Cry" column on Omnivoracious, an Amazon.com books blog "Lesser Evils will leave you begging for more from Erin M. Evans. Intrigue upon intrigue and a host of unforgettable characters interwoven into a plot that is riddled with heart-stopping action. Who could ask for more!" —Chris A. Jackson, award-winning author of Scimitar Moon Overview: Mere weeks after escaping Neverwinter, Farideh's dreams are still haunted by Lorcan, the cambion devil whose power fuels her own. One of only

four known descendents of the original Brimstone Angel, Farideh has no regrets about the pact she made with the devil. But no one in the Hells knows that she has a twin—an impulsive eager sister, just waiting to be corrupted. At least as long as Lorcan can keep her secret. Determined to protect her sister, Farideh searches for a ritual that could call Lorcan out of the Hells. But in the midst of her hunt, she's drawn into an assignment for the secret society the Harpers, an assignment which leads her and a ragtag group of allies to an ancient Netherese library deep underground. While the group combs the site, dodging ghosts and magical traps, Farideh discovers a magical book whose pronouncements throw into question everything she thought she knew about herself and her sister. The more the Book gives up its macabre secrets, the more one thing becomes clear—a traitor lurks among them. Read More: If you are looking for more from Erin M. Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

"Top-notch plastic surgeon Luke Stanley left Gold Coast City Hospital a proud family man - and returned from his vacation a widowed single father. Now Nurse Chloe Kefes is the only one brave enough to get close to the darkly brooding Luke. Chloe has been through much in life herself, and knows falling for Luke and little Amber is asking for a bundle of trouble. But if she can help bring that laughing, easygoing man back, perhaps Chloe can bring the sparkle into all their lives again." --Publisher description.

Based on a series of interviews and mentorships with groups of exceptionally successful individuals, the principles discussed within the four books reveal the fact that sustained success is not an accident. It's a product of consistently doing the right things. But what constitutes 'the right things'? And how important is the role of attitude in the creation of success? The good news is that the attitudes, actions and behaviours of highly successful and fulfilled individuals can be learned and that means that all of us can benefit from the models and examples that others have set. This saves us an enormous amount of time and wasted effort and can catapult us into the upper levels of personal success and fulfilment. The books have been designed as an exploration of the underlying attitudes that will serve either to support or hinder our ambitions. Their purpose is to encourage us to dream and set goals that are truly worthy of our deeper potential. The first volume examines the attitudes and behaviours of super-successful individuals and reveals the principles that these people adopted to promote their efforts to live the lives of their dreams. It's an intoxicating message of hope, inspiration and practical principles for raising the quality of our lives to new levels of expression. The second volume explores the principles of developing a very positive attitude towards wealth and its resistance-free acquisition. The third volume focuses on the principles of creating success in business and the fourth book examines the essential attributes of the successful mind set. Amongst a treasure trove of powerful advice, insights, tips and principles, you can learn how to Identify the beliefs that previously held you back and banish all negative and restrictive attitudes and behaviours Set goals that will draw on your latent creativity and inspire you to grow Discover and channel the power of your unconscious and make firm friends with the concept of wealth and abundance Take control of your business and tune it towards new levels of success and profitability Create your own mental framework for positive expectations and design your own affirmations for driving you ever closer towards your dreams and goals Become comfortable with the concept of personal success and fulfilment This collection of the essential principles for success has been produced to share the message that our fate is very much in our own hands and that each of us has the potential to make our lives better than they are today. This profound message of hope is a wake-up call to seize the day and experience the power of your own potential. It's a message of power and practical wisdom, a set of guides for making the most of this precious gift we call life.

2 romans de la série "Médecins en Australie", tomes 3 et 4 Au Gold Coast City Hospital, les meilleurs médecins d'Australie mettent des bébés au monde, et vivent des passions tumultueuses. Pour le bonheur d'un père, Fiona Lowe Lorsqu'elle revoit son collègue, le Dr Luke Stanley, Chloé est stupéfaite. En quelques mois d'absence, l'homme charmant et séduisant dont elle se souvenait a laissé place à un homme sombre et odieux dans le travail. Inquiète de cette transformation, Chloé ne tarde pas à découvrir que Luke, père d'une fillette, vient de perdre sa femme dans un tragique accident. Profondément touchée par ce drame, Chloé décide de tout faire pour aider Luke et sa fille, Amber, à retrouver le bonheur... La tentation d'une chirurgienne, Amy Andrew Depuis que le Dr Cade Coleman est arrivé dans son service, Callie ne se reconnaît plus : elle, d'ordinaire si autoritaire et si sûre d'elle-même, perd toute contenance dès qu'elle croise son nouveau collègue. Pourtant, elle le sait, elle doit immédiatement mettre un terme au trouble qu'il lui inspire : il y va de sa réputation de chef du service de chirurgie ! Mais comment y parvenir, alors que Cade, qui semble prendre un malin plaisir à lui lancer des regards brûlants, fait naître en elle des sentiments d'une intensité inconnue jusqu'alors ?

He's the only one with the key to unlock her heart... Army medic and emergency specialist James "Jet" Munroe thrives on danger. Physical danger—never emotional. Beautiful helicopter pilot Becca Harding has spent long years trying to forget Jet, but she's never been able to forgive him. Now, trapped together for the first time in years, it's time for them to stop running from the shadows that have marred their relationship...and from the scorching attraction that lingers between them.
