Time was running out for Garion and his companions in their quest to recover Garion's infant son and heir. If they could not locate the Place Which Is No More, then Zandramas, the Child of Dark, would use Garion's son in a rite that would raise the Dark Prophecy to eternal dominion over the universe. Only the Seeress of Kell could reveal the site of that mysterious place - and that she could do only once Garion and Polgara had fulfilled an ancient prophecy in the mountain fastness of the Seers. Kell itself was closed to Zandramas - but her dark magic could force the knowledge she needed from one of Garion's party. She laid her traps and dispatched her foul minions, determined to claim the world for the Dark God. But Garion would let nothing stand between him and his son.

In this fourth book of The Malloreon, Garion and his companions continue their desperate search for Zandramas, the child of dark and abductor of Garion's baby son, Geran. Led by the orb from Malloreon to the island of Melcena, they discover the place where we have been given authority over the power of the enemy.

The Ashabine oracles have been found and carry a message from the evil god Torak. A battle of demons and men looms. The forces of good must prepare themselves for a war that is impossible to win and one they cannot afford to lose. --

Richly imaginative, this fantasy will take you to the brink of the end of the world as gods fight demons and monsters for the right to rule -- and their lives. While most continents float freely on the face of Mother Sea, the Land of Dhrall survives anchored by the will of the Gods. All Gods, Elder and Younger, share the people and the land of Dhrall equally. But the one place they never enter is The Wasteland: a barren and hideous wilderness ruled by the Vlagh -- a god-like creature whose young are evil spawn. Now, as the Elder Gods are about to transfer their power to the Younger Gods, the Vlagh plans to take advantage of their weakened state and neutralize them, eventually conquering the world. To do so, it is breeding a terrible force borne of monsters and demons. But one ray of hope shines through the darkness: four children called the Dreamers. They alone hold the power to change the course of history . . . and stop the Vlagh in its quest for total world domination.

A brutal serial killer stalks the Seattle nights. Regina Greenleaf was one of the victims. Her beautiful twin sister, Renata, is deeply traumatized.

It had all begun with the theft of the Orb that had so long protected the West from the evil God Torak. Before that, Garion had been a simple farm boy. Afterward, he discovered that his aunt was really the Sorceress Polgara and his grandfather was Belgarath, the Eternal Man.

This is the second title in this fantasy series, set in an entirely new world, by authors David and Leigh Eddings.

Garion and Ce'Nedra are on a journey to find their young son Geran. His kidnapper Zandramas is powerful and elusive, with many disguises. But they must not give in to despair, or all is lost. Their search leads through the foul swamps of Nyissa, and on into the dark Kingdom of Murgos, where human sacrifices are still made to the dead god Torak.

The last and most amazing volume in the legendary Belgariad series: the story of the queen of truth, love, rage and destiny, Polgara the Sorceress.
